The Homes at Ellipse Park is a new community of twelve single family homes to be built in the East Shore of The Woodlands, Texas. Located at the north end of East Shore and adjacent to Ellipse Park, this location offers immediate proximity to the lifestyle centers of the Woodlands and easy access to I-45. Ellipse Park, now developed and matured into an amazing green space amenity, is located just outside the front door of these homes. The more noteworthy features of the homes include classic architecture with a range of antique brick and stucco, elegant interior finishes and side courtyards and patio spaces.

Come experience refined living around Ellipse Park and enjoy a lifestyle of sophistication and convenience in one of the best locations in The East Shore of The Woodlands!
